Note 1

Criminal Conviction

To help us reduce the risk of harm or injury to our students caused by the criminal behaviour of other students, we must know any relevant criminal convictions that an applicant may have.

Relevant criminal convictions are only those convictions for offences against the person, whether of a violent or

sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent (as defined by the Rehabilitation of Offenders Act 1974) are not considered to be relevant and you should not reveal them.

You must declare YES if any of the following statements apply to you:

- a. I have a relevant criminal conviction that is not spent
- b. I am serving a prison sentence for a relevant criminal conviction

If statement b applies to you then you must also give the prison address as your postal address on your application and a senior prison officer must support your application.

Applicants who answer YES will *not* be automatically excluded from the application process. However, the Student Affairs Manager may want to consider the application further or ask for more information before clearing an applicant.

If you are convicted of a relevant criminal offence after you have applied you must contact the Student Affairs Manager for further details. You may do this through the Course Administrator.
